SC125RE FEATURES

Split-design headlight

High-positioned headlamp provides excellent visibility while the retro-styled front end pays homage to scooters of the past.

Premium-stitched double seat

The flat design offers a range of sitting positions and there's plenty of room for a passenger. The pleated texture at the front of the saddle is comfortable while riding solo, too.

User-friendly cockpit

The SC125RE's crown jewel— its futuristic central dashboard— is integrated into the middle of the cockpit and displays all your important ride metrics at a glance.

ABS-equipped brakes

Quality disc brakes on both the front and rear wheels measure 200mm and 190mm respectively, ensuring strong and predictable stopping power.
